SUBJECT: Air Filter Sensor Clogging Failure

FSA TYPE: Next Service Visit

**SUSPICIOUS PART**

(X)

**SECURED PART**

(✓)

\*After the air filter restriction sensors in the air filters of the vehicles are visually checked; suspicious MC46 9N622 AA parts specified in the photos above on the filters should be removed and the secured DC46 9N622 AA part must be mounted.

\*The parts to be replaced will be tightened clockwise by hand after threading.

\* If vehicle has MC46 9N622 AA numbered part; photo must be added inside FSA claim that shows vehicle had MC46 9N622 AA Numbered part after replacement.

\*If vehicle has DC46 9N622 AA Numbered part; FSA claim must be submitted by using just FSA202305 labor code (General Control) **not any other labor code or part cost**.
